

CONTENU SONORE

Instruments	Forme d'expression
	<p>In the marriage ceremony of her son or daughter a woman sends a bird to invite the members of her father's family. When the bird returns to her, she asks her how she has been entertained by the members of her father's and husband's house. The bird describes the mal-treatment met out to her in the husband's house and the good treatment at her father's house.</p>
